

A hand-drawn floor plan of a restaurant layout. The plan is divided into several sections:

- Top Section:** A large rectangular area containing a central oval table surrounded by 12 square tables. To the right of this area is a long, narrow counter or bar with several circular stools.
- Middle Section:** A large open area with a diagonal hatching pattern, likely representing a dance floor or main seating area. It contains several small 'x' marks and a curved line.
- Bottom Section:** A service area containing:
 - A kitchen area on the right with a sink, stove, and various equipment.
 - A bathroom area with a bathtub and toilet.
 - A storage area labeled "Garderobe" (Closet) and "Wein u. Bier" (Wine and Beer).
 - A small room labeled "Gefr." (likely Gefrierkammer or freezer).
- Left Section:** A series of rectangular rooms or counters, possibly for food preparation or storage.

The drawing includes various architectural details such as doors, windows, and furniture. The overall style is a simple line drawing with some hatching for shading.
